SUPPLEMENTARY INFORMATION:

Background: Section 14123 of title 49 of the United States Code (U.S.C.) requires certain for-hire motor carriers of property and household goods to file annual financial reports. The annual reporting program was implemented on December 24, 1938 (3 FR 3158), and it was subsequently transferred from the Interstate Commerce Commission (ICC) to the U.S. Department of Transportation’s (DOT) Bureau of Transportation Statistics (BTS) on January 1, 1996. The Secretary of DOT delegated to BTS the responsibility for the program on December 17, 1996 (61 FR 68162). Annual financial reports are filed on Form M (for-hire property carriers, including household goods carriers) and Form MP-1 (for-hire passenger carriers). Responsibility for collection of the reports was transferred from BTS to FMCSA on August 17, 2004 (69 FR 51009), and the regulations were redesignated as 49 CFR part 369 on August 10, 2006 (71 FR 45740).

FMCSA has continued to collect carriers' annual reports and to furnish copies of the reports requested under the Freedom of information Act. Motor carriers (including interstate and intrastate) subject to the Federal Motor Carrier Safety Regulations are classified on the basis of their gross carrier operating revenues.¹

Under the Financial and Operating Statistics (F&OS) program, FMCSA collects from Class I and Class II property carriers balance sheet and income statement data along with information on safety needs, tonnage, mileage, employees, transportation equipment, and other related data. FMCSA may also ask carriers to respond to surveys concerning their operations. The data and information collected would be made publicly available and used by FMCSA to determine a motor carrier's compliance with the F&OS program requirements prescribed at chapter III of title of 49 CFR part 369.

Title: Annual Report of Class I and Class II Motor Carriers of Property (formerly OMB Control Number 2139-0004).

¹ For purposes of the Financial and Operating Statistics (F&OS) program, carriers are classified into the following three groups: (1) Class I carriers are those having annual carrier operating revenues (including interstate and intrastate) of \$10 million or more after applying the revenue deflator formula as set forth in Note A of 49 CFR § 369.2; and (2) Class II carriers are those having annual carrier operating revenues (including interstate and intrastate) of at least \$3 million, but less than \$10 million after applying the revenue deflator formula as set forth in 49 CFR § 369.2.

PUBLIC COMMENTS INVITED: You are asked to comment on any aspect of this information collection, including: (1) whether the proposed collection is necessary for the agency to perform its mission; (2) the accuracy of the estimated burden; (3) ways for FMCSA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized without reducing the quality of the collected information.
